If a position description changes during the year, the duties can be updated in the evaluation by **Revising the Plan**. If the Plan was not created, it must be completed on the old duties first. Then follow the instructions below to Revise to a New Plan and New Job Duties. Generally, if the duties are changed prior to October 1, the employee may be rated on the new duties. If the duties change after October 1, the employee should be rated on the old duties. Contact Human Resources for guidance.
